EXPERIENCE

HSTAT SEP: Software Engineering Program 2025 - PRESENT
Student

- Gained hands-on experience in software development using industry tools such as GitHub and browser-based IDEs.
- Developed and maintained coding projects showcased in a personal website portfolio.
- Applied problem-solving techniques: breaking down complex problems, analyzing/debugging code, and collaborating with peers.
- Strengthened communication by presenting projects and solutions to classmates and professionals.
- Engaged in work-based learning opportunities through partnerships with PENCIL, Deloitte, and other organizations, including workshops, field trips, and internships to build professional networking skills.

PRYSAFE - Project Reach Youth 2025 - PRESENT
Student

- Collaborate with peers to create graphics and promotional materials focused on sexual health education and youth outreach.
- Design stickers, T-shirts, and other branded materials using Canva.
- Contribute to Media Outreach & Branding (MOB) projects to increase program visibility and engagement.
- Assist with developing creative content for workshops, events, and community initiatives.
- Apply graphic design and branding principles to support educational campaigns and outreach efforts.
- Work as part of a team to brainstorm, design, and produce marketing materials.

Minds Matter NYC 2025 - PRESENT
Student

- Participate in a college-access and mentoring program focused on academic achievement, leadership, and college readiness.
- Attend Saturday sessions at Minds Matter NYC and receive guidance from volunteer mentors.
- Engage in SAT preparation and skill-building activities to strengthen test-taking strategies and academic performance.
- Develop reading, writing, and critical thinking skills through workshops and individualized support.
- Attend educational trips, college visits, and enrichment events that expose students to new opportunities and experiences.
- Collaborate with peers and mentors to set academic goals and prepare for future college and career success.
- Demonstrate commitment and consistency by regularly participating in weekend programming and activities.

SYEP - Summer Youth Employment 2026
Student

- Selected to participate in New York City's Summer Youth Employment Program, gaining professional and workplace experience.
- Developed workplace readiness skills including communication, professionalism, teamwork, and responsibility.
- Participated in career development and job-readiness training sessions.
- Learned about workplace expectations, financial literacy, and career exploration opportunities.
- Demonstrated reliability and accountability by maintaining attendance and completing assigned responsibilities.

Outdoor Track & Field - Team Captain (2026) 2025, 2026
Student

- Participated in practices and track meets as a member of the outdoor track & field team.
- Built discipline, endurance, and time-management skills while balancing athletics and academics.
- Worked collaboratively with coaches and teammates to improve performance and achieve team goals.
- Demonstrated dedication through regular training and competition.

Bowling Team - Student Athlete 2025
Student

- Competed as a member of the school bowling team during the athletic season.
- Demonstrated teamwork, sportsmanship, and commitment through practices and competitions.
- Developed focus, consistency, and problem-solving skills in a competitive environment.
- Represented the school at matches and team events.

Student

- Represented sophomore class members on the Executive Board and contributed to club planning and decision-making.
- Assisted in organizing and supporting school events that promoted culture, community, and student engagement.
- Helped prepare and distribute food and materials for club meetings and events.
- Advocated for student voices by participating in discussions and speaking during meetings and events.
- Promoted the organization throughout the school and assisted with recruiting new members.
- Served as a positive representative of the club and helped foster an inclusive environment.
